Cc: Jamey Stoddard, Jim Woods, Dennis McLerran, Richard Parkin, President Frank Standifer III, Jessica Standifer, Katherine Brown

To Jim Woods:

Dear Jim:

President Standifer asked me to follow-up with you to schedule a teleconference meeting with EPA for October of 2012. This would be an excellent opportunity to discuss and review the draft MOU, to receive updates on the proposed project and follow-up on existing requests.

Please propose possible meeting times in early October. Best wishes

Rob
